

Scarborough Food Security Initiative  
Feeding our community with healthy opportunity

We offer **emergency food assistance** in Scarborough Southwest during

Coronavirus closures. Contact us if you need emergency food because of:

- layoffs / reduced hours
- immobility while self-isolating
- food bank closures

Deliveries to buildings are dropped to the **lobby only**. Please arrange any assistance needed to bring bulky items to your unit.

To **access assistance**, volunteer, or get more information, contact:

- (647) 846-0300

**Donations & Volunteers needed!**

If you or your teen are interested in donating or volunteering, please contact us. We need packers, delivery drivers, admin/IT staff and cash donations — but all inquiries are welcome!
